Fund Factsheet as at 31 January 2025

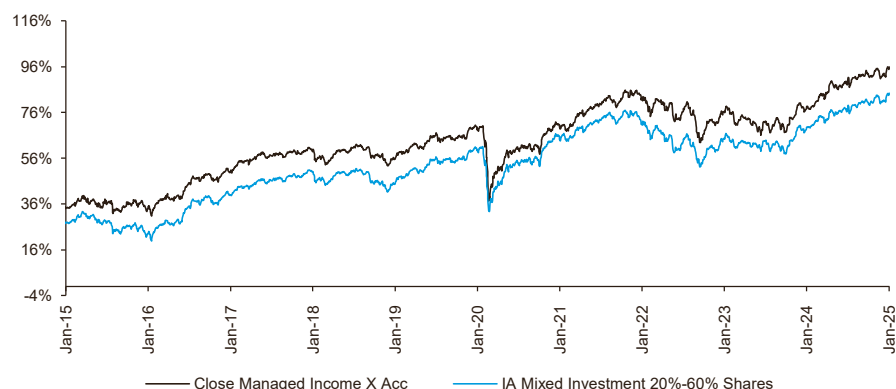

Fund objective

The investment objective of the Close Managed Income Fund is to provide income together with some capital growth over the medium term (i.e. more than 5 years).

Typical investor

Typical investors in the Fund are looking for an investment that provides a combination of income and moderate capital growth.

Cumulative performance (%)

The Investment Association sector return shown tracks the performance of funds which have a range of investments, typically shares, bonds and cash. 20% to 60% is invested in shares and at least 30% in bonds and/or cash. It is shown for reference purposes only, as the Fund does not have a formal benchmark, which it is required to be measured against.
